

# DIGITAL NEXUS by DTC

Digital Nexus is a premier gathering of tech enthusiasts and innovators. It is a dynamic platform where cutting-edge technology meets real-world applications, and the brightest minds in the industry come together to explore the future of tech.

## HANDS ON

### 1 Workshops

Dive into hands-on workshops designed to give you practical experience with cutting-edge tools and technologies

### Exhibit

Got a tech project you're proud of? Share it at the Student Innovation Showcase. Exhibit your app, algorithm, or digital solution, receive feedback from tech pros, and gain recognition for your creativity and innovation.

### Competitions

Ready to put your tech skills to the test? The Nexus competition invites students, developers, and innovators to compete in solving real-world challenges using cutting-edge technology. This is your chance to demonstrate your creativity, problem-solving ability, and technical expertise.
